A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Code Number	Description of Violation	Correct By

### Notes:

1. There is much clutter in the hallway and front food prep areas. These areas should be maintained clean and organized.
2. The caulk in the employee restroom is failing. The sink should be recaulked to provide a smooth cleanable surface using approved materials to code.
